

Help Needed this Monday!

Terry and Ruth Himebook and their family are set to move into a temporary home in East Memphis this coming **Monday, June 29**. They arrive that evening with two U-Hauls that will need to be unloaded. The home they will be moving into has been unoccupied for awhile and will need some cleaning (the amount to be determined this Friday when they see the house for the first time). If you would like to **volunteer to help with cleaning** (~10 – noon) in the house or **unloading** their 2 vans (~8 pm) please contact Clare Jones (755-7110) clare_jones@bellsouth.net soon.

Baby showers! *Shelley Flatgard* and her husband Andrew are expecting their first baby on August 1st. Shelley works at newly-established Redeemer and Andrew is an RUF leader at Rhodes College. Women from Riveroaks are invited Shelley's babyshower at the home of Emma Neal (1732 Bryn Mawr Circle) on Thursday evening, July 9th at 7 p.m. You can contribute to a group giftcard.

We will also be celebrating with *Amy Rainer* as she and her husband prepare for a baby boy. Elaine Barnes will host the shower at 1457 Wolf Park Rd in Germantown (her new home address) at 10:30 Saturday, July 11th. Both families are registered at Target and Babies R Us.

Care Groups: Open Season

Thanks to new members, shifting demographic of the congregation and spiritually maturing Christian women, we are looking into opening two new Care Groups.

If you are currently in a Care Group and might be willing to participate in another group that meets close to your home, at a better time, or you'd like to help lead one, please pray about transferring to another group. We don't want to break up close, long-term friendships but we also want to provide flexibility to women who may be ready to be involved elsewhere.

Watch for details coming soon. If you want to inquire about Care Groups contact Gwen Hannah gwenhanna@gmail.com or Clare Jones clare_jones@bellsouth.net 755 7110
